ONLINE BIDDING

This Clearing Sale will be conducted by Online Only Auction
You must register to bid online - No phone bids will be accepted
Please register before midday on day of sale.
Registrations after this, may not be processed in time for you to bid

Pre-bidding is available for 3 days and then, at the advertised time, a live auctioneer will commence the webcast, with live audio streaming to your computer. You can continue bidding during this time.

The Auctioneer will call for, and accept final bids on lot 1, until bidding for that lot ceases, at which time the lot will be declared sold to the highest bidder.

The lot will be closed by the Auctioneer in the same manner as done at a Traditional auction.

Lot 2 will be offered in the same manner, and each lot thereafter, in consecutive order, until all lots have been sold.

Selling rate is expected to be approximately 100 lots per hour

To familiarise yourself with the system, we advise you to watch the Final Bidding period of one of our earlier auctions.

*** If you rely on Satellite broadband, your internet speed is unlikely to be sufficient for you to participate in the Final Bidding Webcast**
