STRATHALBYN CLEARING SALE

Tuesday 19th January 2020 at 6.30pm

ONLINE BIDDING

This Clearing Sale will be conducted by Online Only Auction

You must register to bid online - Bidding registrations for this sale will close at midday Tuesday 19th January 2020.

No phone bids will be accepted

Pre-bidding is available for 5 days and then, at the advertised time, a live auctioneer will commence the webcast, with live audio streaming to your computer. You can continue bidding during this time.

The Auctioneer will call for, and accept final bids on lot 1, until bidding for that lot ceases, at which time the lot will be declared sold to the highest bidder.

The lot will be closed by the Auctioneer in the same manner as done at a Traditional auction.

Lot 2 will be offered in the same manner, and each lot thereafter, in consecutive order, until all lots have been sold.

Selling rate is expected to be approximately 100 to 150 lots per hour

To familiarise yourself with the system, we advise you to watch the Final Bidding period of one of our earlier auctions.

* If you rely on Satellite broadband, your internet speed is unlikely to be sufficient for you to participate in the Final Bidding Webcast
